Jeremiah 33-36

Has there been a time in your life when you were hiding your face from God? Have you ever felt like there has been a time in your life that God has been hiding his face from you?

Jeremiah was in jail in chapter 33 (and the previous chapters). Have you ever felt trapped/penned in/imprisoned? What role did your relationship with Jesus play?

Why are we reluctant to go to God? If God knows our thoughts why is it important to go to him in prayer?

Do we go back on promises we make to God during hard times when life gets better? Do we do things that are right for the wrong reasons? Does it matter?

What are some traditions we follow that have been passed down from parents/ancestors? Why does it seem so difficult to follow God's command but easier to be faithful to other people?

Which of God's words would we prefer to cut out and burn today?

No Wednesday night programming for the next two weeks.
