

Gospel of John
Week 6
Chapter 5
Questions

-Review the sequence of the healing of the official's son. (4:46-53) What role does faith play in the healing? How did the official show his faith? When did he believe in Jesus as the Messiah?

-Why does Jesus perform miracles? Why does He challenge faith/belief based on miracles (signs) alone? (4:48) What is missing with this kind of faith? How does the approach of a believer to a miracle differ from an unbeliever?

-Did the invalid answer Jesus' question? (5:5-6) Why or why not? What question did he answer? Why? Do we ever miss Jesus' point like the invalid did?

-The Jewish leaders ("Jews") focus on the man breaking a rule instead of the miracle of his healing. (5:10) Do we ever focus more on our rules than what God is doing?

-When you ask God to do something do you pray as if you believe He can do it?
